

NORDIC INVESTMENT FOCUS

Wednesday 16/03/2022
17h30 - 19h

Trends, opportunities & challenges for Scandinavia, Finland and Iceland

This open to all event – designed for political leaders, and global and regional investors – will debate the latest trends, opportunities and challenges in the diverse marketplaces of Scandinavia, Finland and Iceland. Through a keynote address, panel discussion and a closing evening networking cocktail reception, this session will enable participants to debate the below key topics in an informal and welcoming environment.
